

Water Education for Teachers Professional Development Opportunity

**Adventure Science Center
October 16, 2010**

Who is invited? All public and private school teachers and non-formal educators, park rangers, nature center and museum staff, teachers-in-training

What's it about? Using fun, hands-on activities, learn about Tennessee's water resources and how to help students become environmental stewards. Engage your class with Best Management Practices (BMP) that demonstrates real world applications relating to water science.

At completion of the **6-hour** workshop participants receive a Project Wet book with over 85 water-related activities for K-12th grade.

- **Date:** October 16, 2010
- **Time:** 9:00 am – 3:00 pm
- **Where:** Adventure Science Center
- **Registration:** Send in completed form (page 2) with payment of \$20.00 to Adventure Science Center, Project Wet, 800 Fort Negley Blvd., Nashville, TN 37203
- **Lunch:** included in the cost of attendance
- **Dress:** Comfortable casual, wear clothing appropriate for wetlands (weather permitting)
- **Deadline:** October 1, 2010
- **Limited to first 50 participants**

Project WET Curriculum and Activity Guide

- Every participant will receive a copy of a 500 page guide with over 85 water-related activities for K-12th grade
- Lessons are in a variety of formats: whole body, group, discovery science, laboratory investigation, local and global issues
- Science, Language Arts and Social Studies correlations to TN standards are available online
